

Michael T. Duong, MD PhD

"We can learn from the past to make the most of the present and try to improve our future."

DVSF: 2012-2015

DVSF Judge / Volunteer:
2016-present

Alumni
SPOTLIGHT

November 2025

Michael went to
Methacton High School.

Michael T. Duong, MD PhD
Radiology Resident & Scientist
Hospital of the University of Pennsylvania

DEGREE: MD 2024; PhD in Bioengineering 2022; BA in Biophysics, Biology, Chemistry 2017; all completed at the University of Pennsylvania

Michael is a radiology resident physician and scientist at the University of Pennsylvania. He applies molecular imaging and machine learning to Alzheimer's disease and neurodegeneration. His work was awarded a National Institutes of Health F30 fellowship grant, led to 35+ peer reviewed publications and contributed to ongoing clinical trials.

His love of science solidified during high school science fair with exceptional science teachers including Mr. Robert Helm and Dr. Christine Coccozza. Michael tries to give back by volunteering at local and international science fairs.
