

"Participating in DVSF changed my life by preparing me with the mindset and skillset to be able to succeed at any endeavor I want to pursue."

Tejal U. Naik, MD

**Hospital Medicine Physician and Clinical Lead of the Digital Technology Team at Jefferson's Information Services & Technology (IS&T) group
Thomas Jefferson University**

DVSF: 2005 – 2007

ISEF: 2006 - 2007

Sidney Kimmel Medical College at Thomas Jefferson University

Doctor of Medicine (2016)

Tejal's passion for medicine and delivery of high-quality resources to patients, students, employees, donors, and the community led him to becoming part of the innovation and digital technologies team at Thomas Jefferson. In this role, Tejal works to enable the design and development of consumer-focused, value-driven, digital-ready solutions, in addition to delivering patient healthcare as a physician.

2006 and
2007
