

Congratulations to the ISEF 2026 Winners From DVSF

- **Grand Award Winners**

- **Zining Fan**: 11th Grade, Emmaus High School; 2nd Place in the Mathematics Category. Project Title: Detecting Causality With Conjugation Quandles.
- **Kai Vajapey**: 10th Grade, Morristown High School; 3rd Place in Biomedical Engineering Category. Project Title: Tremor Pause
- **Snayhin Sharma**: 10th Grade, Central Bucks High School East; 3rd Place in Software Design Category. Project Title: Quantum Algorithm for Delay Differential Equations

- **Special Award Winners**

- **Athena Man**: 12th Grade, Central Bucks High School East; Biochemistry Category; Drug, Project Title: A Curcumin-Pentraxin Conjugate for Cancer Therapy. Chemical & Associated Technologies Association - \$5000
- **Snayhin Sharma**: 10th Grade, Central Bucks High School East; Software Design Category. Project Title: Quantum Algorithm for Delay Differential Equations. Association for Computing Machinery - \$4000
- **Kai Vajapey**: 10th Grade, Morristown High School; Biomedical Engineering Category. Project Title: Tremor Pause. INCOSE = International Council on Systems Engineering - \$800
